Further Addendum Report, Habitats Regulations Assessment and the standard examination was suspended in January 2016 to enable the Council to undertake further work.

Following this suspension, main modifications to the Local Plan were submitted to the Planning Inspectorate in March 2017 and further examination hearings were held in May and July 2017. During the examination hearings the Council agreed to prepare additional evidence in support of the Local Plan and following consultation on this further Additional modifications, the Inspector has written to the Council setting out his thoughts on the Local Plan.

In response to this, the Council has made Further Main Modifications to the Local Plan which are subject to this consultation. These are described as Further Main Modifications because they relate to more significant issues. A number of more minor additional modifications have also been published at the same time but are not subject to consultation.
